### **Re: After School Sports and Arts Initiative (ASSAI) Program**

If you are receiving this letter it is because your student at Morfee Elementary has been enrolled in the After School Sports and Art Initiative (ASSAI) Program. The program was running on Tuesday and Thursday's after school and was planned to restart this coming week on January 18<sup>th</sup>.

At this time we regret to inform you that the program is postponed until further notice.

Please be reassured that we are working hard to get the program up and running again as soon as possible. We feel ASSAI is a valuable asset that provides great opportunities in both sport/movement and art allowing students to engage and strengthen relationships between each other and the school community in a safe environment.

Please note that buses will run at the regular scheduled times while the program is postponed.

If there are question or concerns, please feel free to contact the school at 250-997-6340.

We apologize for any inconvenience this may have caused. Thank you for your understanding.
