Re: Covid-19 Update

As the Covid-19 pandemic continues to unfold in B.C., I wanted to let members know that the MLIB Administration is continually working with limited staff to ensure that our most vulnerable members are taken care of in these uncertain times.

At this time, the Health team is working in conjunction with TFF to put together weekly food boxes for our most vulnerable Members on Reserve such as our elders, those with compromised immune systems and those who are on SA.

For Members with compromised immune systems living in Prince George and Mackenzie, we have staff that are available to get the supplies you need as well. Please contact my Executive Assistant, Sophia Iliopoulos at siliopoulos@gmail.com or at 778-349-4410 and she will ensure to get you the supplies you need.

For Members living off Reserve out of the Prince George area, I encourage you to use the door delivery services provided by your local grocers, and the Band will continue to discuss how we can best support all of our Members throughout this difficult time. In the meantime, please stay safe, practice clean hygiene and be kind to one another.

Sincerely,

Chief Harley Chingee
